

Q1 2010 New Form41 Data

July 15, 2010

Dear Form41 Financial Customers,

Enclosed is the updated First Quarter 2010 Form 41 CD. The disk includes new April 2010 T1 traffic data as well as some revised financial and traffic data.

TRY FORM41 ONLINE!

If you haven't tried the online version of Form41, take the time to do it now. The T1 data and the filing status report are not yet available on the online version, but all of the latest financial statements and T2 traffic are available. If you need your login information, please contact me.

Please return the previous version CD in the enclosed mailer.

Sincerely,

Lucretia Frederich
